re: USA v. Silviano Christman; 14 CR 0236-01 (CS)

Dear Judge Seibel:

With the consent of the Government by AUSA Jamie Bagliebter, I am requesting a further adjournment of the VOSR hearing scheduled for March 19, 2021 to a date after June 1, 2021. The violation petition is based in part (counts 5-7) upon charges against the defendant pending in State Court in New York County. I contacted Mr. Christman's state attorney today for an update. Mr. Christman is still in remand status and a pre-trial disposition is unlikely. He is awaiting a state trial date which, due to COVID restrictions, will probably not be scheduled until early summer. I do not believe we will be able to come to a resolution of the VOSR specifications until the State case is resolved.

Respectfully submitted,

/S/ Joseph A. Vita
